

Expand your market share, increase your profits with the performance and reliability of Packrite.

When you rely on the skills of Packrite you and your sales team can take your customers to a new level.

We provide trade finishing services for box and carton makers nationwide, so you can sell more and better items. From a single process to complete production we utilize the world's most sophisticated equipment for large-format and complex die cutting, folding/gluing and windowing for folding carton and singleface micro-flute corrugated. Stronger structures for folding carton and higher graphics for corrugated — all at highly competitive, exclusive to-the-trade prices.

Learn more about how partnering with Packrite can expand your business. Visit Packrite.net or call us at 336.884.0793.

Bobst Asitrade, Mastercut, Masterfold with Gyrobox rotator and more at your service.
