

How fast can InTouch™ give you access to our entire parts inventory?

Right Clicking Now.

Because we're located in Northern New Jersey we truly understand the meaning of "in a New York minute." That's why we created InTouch™, the on-line direct customer connection that allows Bobst customers full access for checking parts availability, receiving instant price quotes, on-line ordering and tracking each stage of the shipment. Anyone with access to the internet can now be InTouch with Bobst.

Now that we've made ordering so fast, need to get it fast? Our warehouse in Roseland, New Jersey stocks nearly all commonly used parts and consumables, ready for overnight delivery whenever you need them.

To try InTouch for yourself call 888-226-8800, ext 2764 for details or set up an account by visiting the US section of our website at www.BobstGroup.com
